The High School Transcript

Your Academic Record of High School

Course Grades

All high-school level courses and their final grades show up on your transcript.

Cumulative Average

All of the course grades are averaged together to determine your GPA.

Test Results

All final, Regents, AP, and college entrance exams are shown on your transcript.

Honors Designation

This is earned when all the regents exams **required for your diploma** have an average of 90 or higher.

[Class Rank]

Class rank is not calculated or provided.

Colleges strongly consider the rigor of course selection throughout high school to determine admission eligibility.

Initial-Eligibility Standards

If you want to compete in NCAA sports, you need to register with the NCAA Eligibility Center at eligibilitycenter.org. Plan to register before your freshman year of high school. For more information on registration, visit on.ncaa.com/RegChecklist.

Academic Requirements

Division I and II schools require you to meet academic standards. To be eligible to practice, compete and receive an athletics scholarship in your first year of full-time enrollment, you must meet the following requirements:

Division I

1. Earn 16 NCAA-approved core-course credits in the following areas:

ENGLISH	MATH (Algebra I or higher)	SCIENCE (Including one year of lab, if offered)	EXTRA (English, math or science)	SOCIAL SCIENCE	OTHER Any area listed to the left or courses listed in additional discipline (world language, comparative religion or philosophy)
4 years	3 years	2 years	1 year	2 years	4 years

2. Complete your 16 NCAA-approved core-course credits in eight academic semesters or four consecutive academic years from the start of ninth grade. If you graduate from high school early, you still must meet core-course requirements.
3. Complete 10 of your 16 NCAA-approved core-course credits, including seven in English, math or science, before the start of your seventh semester. Once you begin your seventh semester, any course needed to meet the 10/7 requirement cannot be replaced or repeated.
4. Earn a minimum 2.3 **core-course GPA**.
5. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

Division II

1. Earn 16 NCAA-approved core-course credits in the following areas:

ENGLISH	MATH (Algebra I or higher)	SCIENCE (Including one year of lab, if offered)	EXTRA (English, math or science)	SOCIAL SCIENCE	OTHER Any area listed to the left or courses listed in additional discipline (world language, comparative religion or philosophy)
3 years	2 years	2 years	3 years	2 years	4 years

2. Earn a minimum 2.2 **core-course GPA**.
3. Ask your high school counselor to upload your **final official transcript** with proof of graduation to your Eligibility Center account.

Division III

While **Division III schools** set their own admissions and academic requirements, **international student-athletes** (first-year enrollees and transfers) who are enrolling at a Division III school after Aug. 1, 2023, must be certified as an amateur by the Eligibility Center. Contact the Division III school you plan to attend for more information about its academic requirements.

REGISTER

- » If you haven't yet, **register** for a free Profile Page account at eligibilitycenter.org for information on NCAA initial-eligibility requirements.
- » Use NCAA Research's **interactive map** to help locate NCAA schools you're interested in attending.
- » Find your high school's list of NCAA-approved core courses at eligibilitycenter.org/courselist to ensure you're taking the right courses, and earn the best grades possible!

GRADE

10

PLAN

- » If you're being actively recruited by an NCAA school and have a Profile Page account, **transition** it to the required **certification account**.
- » Monitor the **task list** in your NCAA Eligibility Center account for next steps.
- » At the end of the school year, ask your high school counselor from each school you attend to upload an official transcript to your Eligibility Center account.
- » If you fall behind academically, ask your high school counselor for help finding **approved courses** you can take.

GRADE

11

STUDY

- » Ensure your **sports participation** information is correct in your Eligibility Center account.
- » Check with your high school counselor to make sure you're on track to complete the required number of NCAA-approved **core courses** and graduate on time with your class.
- » Share your **NCAA ID** with NCAA schools recruiting you so each school can place you on its **institutional request list**.
- » At the end of the school year, ask your high school counselor from each school you attend to upload an official transcript to your Eligibility Center account.

GRADE

12

GRADUATE

- » **Request your final amateurism certification** beginning April 1 (fall enrollees) or Oct. 1 (winter/spring enrollees) in your Eligibility Center account at eligibilitycenter.org.
- » Apply and be accepted to the NCAA school you plan to attend.
- » Complete your final NCAA-approved **core courses** as you prepare for graduation.
- » After you graduate, ask your high school counselor to upload your final **official transcript** with proof of graduation to your Eligibility Center account.

What can you do with Naviance?

- Research colleges
- Look for scholarships
- Sign up for college visits
- Learn about careers
- Match your interests with careers

Naviance Features to Explore:

College Supermatch - *often used by juniors and seniors for the college search*

- ★ Students can search for colleges based on criteria of interest (Public vs. Private, Location, Size of school, diversity of campus, etc).

Career Interest Profiler - *can be done at any grade level and repeated at any time (typically 9th, 10th)*

- ★ Complete an approximately 60 question survey which matches personality types with different careers. (Realistic, Artistic, Social, Investigative, Enterprising, Conventional). What stands out for you?

Career Clusters Finder - *completed in 9th but can be repeated at any time*

- ★ Helps you learn what Career Clusters may be a good match for you based on activities that interest you, qualities which describe you, and subjects you enjoy studying in school.

Strengths Explorer - *recommend completing in 10th grade*

- ★ Get a full report on what you are good at. This inventory then links to different careers. **Strength Explorer can be done only once during your high school career.**

Learning & Productivity - *recommended completing in 9th, typically start at freshmen meetings in fall*

- ★ Survey for students to reflect on basic interests and goals. Very helpful to complete before the Career Plans. Survey takes about 20 minutes to complete.

AchieveWorks Intelligences

- ★ Helps you uncover your different intelligences. Tools will reveal ways you deal with information, solve problems and create things. Takes about 15 minutes to complete this assessment.

Career Key - *recommended to go along with Career Clusters & Interest Profiler*

- ★ Helps you identify your traits, best match work environments and related careers by asking questions about interests. Maps result to Holland's personality traits. Takes 10 minutes to complete.

AchieveWorks Skills

- ★ Helps you identify and develop skills and connect skills to careers that might be of interest. Will reveal current skill profile and provide recommendations for development of skill. Plan to spend 20 minutes on this assessment.

AchieveWorks Personality

- ★ Helps you identify your personality type by asking you to choose scenarios that best represent how you behave in real life. Plan on spending 15 minutes on this assessment.
